Part A: Important Information about the Overseas Travel Insurance

1. This policy

- 1.1. Under a Westpac Airpoints™ **World Mastercard®**, **cardholders** and their families travelling with them are entitled to Overseas Travel Insurance. Provided the **cardholder** meets the activation requirements detailed in Part A: 2 - 4 below, **we** will automatically provide cover to **you** when **you** travel **overseas** subject to the terms and conditions contained in this policy. Before **you** make **your** travel arrangements please read **your** policy carefully to ensure it meets **your** requirements. In particular, **you** should be aware of the General Policy Conditions and General Policy Exclusions, as well as the age limits specified in Part A: 5 and the maximum **journey** period specified in Part A: 2.3.1.

If **you** have any questions please call the AIG Call Centre on 0800 465 322 prior to **your** departure, or visit www.travelactivate.co.nz/westpac.

2. Insurance activation

- 2.1. There are three different activation requirements under this policy:
1. Part A: 2.2 details the activation requirements for all Overseas Travel Insurance benefits except for Part D: benefit 11 (accidental death & disablement (common carrier)).
 2. Part A: 3 details the additional activation requirements for business travellers for all Overseas Travel Insurance benefits except for Part D: benefit 11 (accidental death & disablement (common carrier)).
 3. Part A: 4 details the activation requirements for Part D: benefit 11 (accidental death & disablement (common carrier)) only.
- 2.2 To be eligible for cover under this policy:
- 2.2.1 The total period of the **overseas** portion of **your journey** must not exceed one hundred and twenty (120) days. **You** must hold a return travel ticket for **your journey** before **you** depart New Zealand that shows a return date within the one hundred and twenty (120) day limit. Refer to Part A: 2.3.1 for further information. If the total period of the **overseas** portion of **your** travel exceeds this one hundred and twenty (120) day maximum **we** may be able to offer **you** insurance. Refer to Part A: 8. for further information.
- 2.2.2 **You** must be permanently living in New Zealand and intending to return to New Zealand to live at the end of **your journey**.
- 2.2.3 The person activating the insurance must be a current and valid Westpac **Airpoints World Mastercard® cardholder** (which includes joint and additional cardholders) at the time they pay for the **pre-paid travel costs** for their **journey**, and satisfy the requirements set out in Part A: 2 (insurance activation).
- 2.2.4 Cover is extended to include the **cardholder's accompanying spouse** and/or **dependent children**, subject to the terms and conditions of this policy including Part A: 2.2.2 above.

2.3. Other insurance activation conditions (applying to the entire policy):

2.3.1 Maximum **journey** period – one hundred and twenty (120) day round trip

- (a) To be eligible for cover under this policy, the total period of the **overseas** portion of **your journey** must not exceed one hundred and twenty (120) days. **You** must hold a return travel ticket for **your journey** before **you** depart New Zealand that shows a return date within the one hundred and twenty (120) day limit.

For example:

- (i) If the **overseas** portion of **your journey** is one hundred and thirty (130) days, no part of this **journey** will be covered by this policy.
- (ii) If the **overseas** portion of **your journey** is one hundred and ten (110) days and **you** hold a return ticket to that effect, providing **you** have satisfied activation provisions under Part A: 2.2. above, **your journey** will be covered, subject to the terms and conditions of the policy.
- (b) To calculate the period of **your journey** for the purpose of activating cover under this policy, day one (1) of **your journey** commences at the scheduled departure date and time of **your** flight or sea passage from New Zealand directly to an **overseas** destination and concludes at the scheduled arrival date and time of **your** flight or sea passage directly from an **overseas** location to New Zealand.
- (c) **Your** cover will be automatically extended to accommodate the late arrival of **your** carrier, providing this was **your** original scheduled carrier.
- (d) If the total period of **your overseas** travel itinerary exceeds the one hundred and twenty (120) day maximum **we** may be able to offer **you** insurance. Refer to Part A: 8. for further information.
- (e) If **you** hold a stand-by ticket for **your** return travel that is dated within the one hundred and twenty (120) day limit at the scheduled time of **your** departure from New Zealand **you** will be considered by **us** as having satisfied the return ticket requirement under Part A: 2.2.1. However the maximum **journey** period will still apply and **you** will have no cover under this policy if **your journey** exceeds one hundred and twenty (120) days because **your** return to New Zealand is delayed as a result of **your** stand-by ticket status. This means no claims will be paid even if the loss had occurred within the first one hundred and twenty (120) days of **your journey**.

2.3.2 Incorrect activation for the **cardholder's family**

There is no cover under this policy for the **cardholder's spouse** and/or **dependent children** unless they are **accompanying** the **cardholder** on their **journey**.

2.3.3 Other policies

You are not eligible for any cover under this policy if **you** purchase any other travel insurance policy that covers **you** for **your journey**.

3. Additional activation requirements for business travellers

- 3.1. If one (1) of the reasons for the overseas travel is to engage in employment and/or business related activities, then to be eligible for all Overseas Travel Insurance benefits (except for Part D: benefit 11 (accidental death & disablement (common carrier)) of this policy:
- (a) The **cardholder** must have satisfied the activation requirements set out in Part A: 2. (insurance activation); and
 - (b) At least \$500 (or \$250 if travelling to Australia and/or a **South Pacific Island**) of the **pre-paid travel costs** must have been paid for by one (1) or a combination of the following:
 - (i) Charged to the **cardholder's** personal **Airpoints World Mastercard®**; or
 - (ii) A cash advance obtained on the **cardholder's** personal **Airpoints World Mastercard®** on the same day that the payment of their **pre-paid travel costs** are made and receipted.
- 3.2. Cover will apply to most employment and business activities undertaken on a **journey**, however some limitations apply. Please be aware that some employment and business activities are not covered, in particular refer to General Policy Exclusions 8. and 9.(a).

4. Additional activation requirements for benefit 11 only (Accidental death and disablement (common carrier))

- 4.1 To activate cover under Part D: benefit 11 of this policy:
- (a) The **conveyance** travel must be part of **your journey** arrangements;
 - (b) The **cardholder** must also have activated cover for all other policy benefits set out in Part A: 2. (insurance activation) and Part A: 3. (additional activation requirements for business travellers) as applicable for this **journey**; and
 - (c) The **cardholder** must have paid for the full value of the **conveyance** travel ticket for themselves and / or any **accompanying spouse** and / or **dependent children** with their **Airpoints World Mastercard®**.

For example:

- (i) If **you** plan to take a ferry trip as part of **your journey**, then provided **you** have satisfied the requirements of Part A: 2. (insurance activation) and Part A: 3. (additional activation requirements for business travellers) as applicable for that **journey**, and **you** have paid for the full value of **your** (and any **accompanying spouse** and/or **dependent children**) ferry trip ticket with **your Airpoints World Mastercard®** **you** would have satisfied the activation requirements of this benefit 11 for that ferry trip, subject to the terms and conditions of the policy.

- 5.1. There is no cover under this policy for travellers aged 91 years or older at the date they are scheduled to depart on their **journey**.

2. New Zealand Ministry of Foreign Affairs and Trade

- 2.1. **You** are not covered for travel into and within a location that is listed as an “extreme risk” location on the Ministry of Foreign Affairs and Trade website (www.safetravel.govt.nz).
- 2.2. **You** may be covered for cancellation costs under Part D: benefit 1 (cancellation of travel) if **you** decide to cancel or curtail **your journey** because the location(s) in **your** planned itinerary are added or upgraded to the Ministry of Foreign Affairs and Trade list of “extreme risk” locations after **you** have activated cover under this policy and before **your** departure.
- 2.3. If after **your** departure the location(s) in **your** planned itinerary are added or upgraded to “extreme risk” before **you** enter these location(s), **you** are covered for cancellation costs under Part D: benefit 1 (cancellation of travel) only. However, if the location(s) in **your** planned itinerary are added or upgraded to “extreme risk” when **you** are in such location(s), the full policy cover applies, always provided that **you** try to leave that location as soon as possible after **you** become aware of the addition or upgrade. This is important because **our** ability to assist **you** may be impeded by what has occurred in that location and **you** are obligated to avoid potential claim situations.
